PROGRAMME**TOPICS****Topic 1: The Greek language in all its forms: translocal, transtemporal and social diversity**

Formation and history of the Greek language; Analysis of Greek language features: phonology, grammar, vocabulary; The development of Greek in time and space: external and internal factors; Greek language: present state and dynamics; The contact of Greek with other languages; Greek language beyond Greece's borders.

Topic 2: The expression of modality (will, desire, ability, possibility, duty, politeness, etc.)

Language dependent specific characteristics of modal verbs, auxiliary verbs and grammatical modality units at syntactic level; Establishment of axiology (semantic values) of these lexical and grammatical units; Modality: usage, language registers, diastatic variations, age of speakers, etc.

Topic 3: Corpus linguistics and its contribution to language analysis

Synchronic and diachronic studies on all levels of language analysis (phonology, morphology, vocabulary, syntax) on the basis of spoken, written and multimodal corpora. Corpus studies of linguistic varieties (dialects, text types etc.). Discourse analysis and corpora. New approaches to literature – Corpus stylistics. Applications to language teaching, lexicography and translation.

INDIVIDUAL COMMUNICATIONS

Pre-registration and deadline for submissions: May 17, 2023

The pre-registration and the abstract must be sent to BOTH email addresses:

SILF2023@silf-la-linguistique.org
silf2023.kalamata@gmail.com

Abstracts should not exceed one A4 page (RTF format). Abstracts submitted must include the title of the communication, the name(s) and affiliation(s) of the researcher(s), an electronic mail address and be accompanied by an indication of their purpose (contribution to one of the three topics above or individual communication).

Communication abstracts received will be reviewed by the Scientific Committee of the Colloquium. Participants will be informed on the acceptance of their contribution (topic contribution or individual communication) by the end of May. The second call for abstracts will be sent in early June to the persons having responded to the first call.

Colloquium venue

The Colloquium will be held in the venues of the School of Humanities and Cultural Studies, in Kalamata.
